Press Release

CII Business Mission to Houston on 18 November 2009

The Confederation of Indian Industry (CII), a premier, national level apex industry association of India, is bringing its first Business Mission to Houston on Wednesday, 18 November 2009, to explore opportunities for trade and investment. **A Business Event is being organized by CII in cooperation with Consulate General of India, Houston, Greater Houston Partnership (GHP), Indo-American Chamber of Commerce of Greater Houston (IACCGH) and the US Department of Commerce at Hotel Westin Galleria – the program is given in the attached flyer.**

CII is sending this high level business delegation to Houston, followed by Chicago, Detroit and Washington DC for substantive discussions focused on India-US trade and investment, to complement the upcoming State Visit of HE Dr. Manmohan Singh, Prime Minister of India to Washington D.C. later this month - the first State Visit hosted by HE Mr. Barack Obama, President of the USA. The delegation comprises senior echelons representing India's diverse high growth sectors including IT, Renewable Energy, Health Care, Manufacturing and Services. The Mission participants are particularly interested in exploring opportunities for investment in the Greater Houston area.

Those interested in participating in this Business Event on 18 November are requested to register at www.houston.org/events.
